**YES** Optional Comprehensive Maintenance & Repair Coverage (\$16.20 tax included) covers repair of the instrument in case of breakage or damage for six months. Lessee must pay for willful and negligent damage to the instrument. Only a Barcone's Music qualified technician is allowed to repair the instrument. If your account is not current, coverage is null and void and lessee is responsible.

**NO** I do not want to have repair/maintenance protection and understand that I will assume full responsibility for any repairs the instrument may need or the complete replacement cost of the instrument should it be damaged beyond repair. The company will not cover repairs due to malicious damage.
